THE FINANCE LEASES AND INCIDENTAL DOCUMENTATION

The Board is pleased to announce that Greengold Leasing entered into the Finance Leases and Incidental Documentation, the principal terms of which are as follows:–

Date of the Finance Leases:

The Finance Leases will take effect upon compliance of the applicable requirements of the Listing Rules by the Company.

Parties:

- (1) Greengold Leasing, a subsidiary of the Company, as the lessor;
- (2) the Lessee; and
- (3) the Guarantors (in relation to the relevant guarantee).

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, the Lessee, the Guarantors and their ultimate beneficial owners are Independent Third Parties.

Transfer of Assets and consideration

Greengold Leasing will be transferred the unencumbered ownership of Assets 1 and Assets 2 from the Lessee on an “as-is” basis at the consideration of RMB30,000,000 (equivalent to approximately HK\$32,820,000) and RMB20,000,000 (equivalent to approximately HK\$21,880,000) in cash respectively, pursuant to the Finance Lease 1 and Finance Lease 2, payable within 12 months from the date of Finance Leases. The transfer agreements for Finance Lease 1 and Finance Lease 2 were entered into between Greengold Leasing and the Lessee on the date of the Finance Leases, effecting the terms of the Finance Leases in relation to the afore-mentioned transfer of the Assets from the Lessee to Greengold Leasing.

Such consideration or financing amount was determined following arm’s length negotiations by the parties to the Finance Leases with reference to the original costs of Assets 1 and Assets 2 of approximately RMB39,000,000 (equivalent to approximately HK\$42,666,000) and approximately RMB30,937,000 (equivalent to approximately HK\$33,845,000) respectively, and their state including serviceable condition and depreciable life, which were reviewed by Greengold Leasing’s experienced leasing team. The consideration amount for the transfer of ownership of the Assets will be funded through the internal resources of the Group and/or external banking facilities.

Lease period

Greengold Leasing will lease back the Assets to the Lessee for its use and possession for a term of 5 years commencing from the day the consideration for the Assets transfer has been paid by Greengold Leasing.

Both the lease principal and interest will be paid quarterly over the lease period.

The terms of the Finance Leases, including the lease principal and interest, were determined after arm’s length negotiations between the parties to the Finance Leases with reference to the lending and interest rate environment including the loan prime rate published by the National Interbank Funding Center from time to time (for reference purpose, the prevailing loan prime rate was 3.45% as at the date of the Finance Leases), and adjustments taking into account the principal amount of the Finance Leases and availability of funds, the interest risk of financing and servicing costs over the lease period, the credit risks associated and the overall return target and risk tolerance of the Group for the Finance Leases on a case by case basis.

Termination and transfer of the Assets to the Lessee

The Lessee may terminate the Finance Leases provided that all outstanding amounts due thereunder and a compensation equivalent to 20% of the total outstanding lease interest amount as at the time of early termination have been settled. At the end of the lease period or in the event of an early termination of the Finance Leases, subject to the settlement of all outstanding amounts, the Lessee had agreed to purchase the relevant Assets at a nominal purchase price of RMB100 each (equivalent to approximately HK\$109.4).

Guarantees

The Guarantors had executed guarantees on the date of the Finance Leases guaranteeing Greengold Leasing, effectively on a joint and several basis, the due and punctual settlement of any and all amount payable by the Lessee under the Finance Leases.

Pledges

Pursuant to the asset pledge agreements entered into between Greengold Leasing and the Lessee on the date of the Finance Leases, although the ownership of the Assets shall be transferred to Greengold Leasing as lessor as part of the Finance Leases, the Assets are treated as security of payment obligations of the Lessee under the Finance Leases and the Lessee may continue to utilize the relevant Assets during the lease term.

Guarantor 1 had executed a share pledge agreement in favour of Greengold Leasing, pledging 50% of its shareholding interests in the Lessee for a term of 6 years, as security of the Lessee's payment obligations under the Finance Leases.

The Lessee had executed a receivables pledge agreement in favour of Greengold Leasing, pledging its rights in receivables under certain agreements related to electricity supply, stream supply and sewage treatment and their supplemental agreements as security of its payment obligations under the Finance Leases.
